ASA AKIRA – PORN STAR AND TEACHER

I would like to know from you how do you make love to a womanlike yourself for hours and hours? Because I would like to know from the best. I would love for you to teach me how to have a long lasting relationship that would never grow old or cold Do you like men to shop for you? If a man doesn't have enough money, would you still make love to him? Do you love for your man to get on his hands and knees and kiss you from head to toe for hours on end? I like to know if you like for a man to suck and lick your nipples for hours before making love? Do you like men to go down on you and eat you ut until you cum on their tongues? I would like to know how long it takes you to climax when you're making long, slow, hot love to a man or woman? I have seen many of your videos and I am turned on for every minute you are on the screen. I use your videos as a teaching guide for me and my lover.

– J. Bryan from New Jersey

SOPHIA JADE – HAS AN ADORING FAN

Your layout in the last Club Asian magazine is hot, hot, hot. Your boobs do a job on me I confess that I cum on them many times. I would love to see some more hot photos of you. If you can tell the editor of the magazine to run more pictures of you, I'm sure they would. Just tell them you have many fans that want this. I get hard just thinking about you that I'm curious to see more action photos of you. I would love to see a highly enlarged close up of you sucking a hard cock. That way I can imagine that it's mine. I have creamed over you many times and I know there will be many more. I would love to French kiss your beautiful lips and then work my way down your chest to you amazing tits, only to end up licking your pussy and sweet ass hole. I have never done that to a woman before, but I would do it for you. I imagine you squatting on my face as your lovely fingers wrap around my cock and stroke me until I cum with you.

– Manny from Texas

When I'm asked why I do adult photos and videos, it's because I just so happen to love sex. Things were very open in my house and I hated to be closed in. I learned to get comfortable in front of the camera, and then when guys became involved, I got comfortable with that, too.

NO POWER

I've always had a hard time knowing what was best for me, but I've also always had a best friend, Nicole, who knew how to take care of me. She's been there for me since the beginning of high school, and for some reason, always had my back. She's watched me go through at least a dozen girlfriends and twice as many jobs, and she's the only one I've ever been able to call with any sort of problem.

A couple of months ago, I ended up breaking up with my then-girlfriend. We'd been together a couple of years, and we both said some things that meant that it wasn't going to work anymore. Even though I didn't really want to think about it, the breakup messed me up. After listening to me mope about it for a few days, Nicole told me she was taking me on vacation for the weekend.

I didn't really want to go, but Nicole has this way about her that I couldn't really say no to her when she decides something. What makes it even worse is that she's almost always right.

So, despite everything, I agreed.

She wouldn't tell me where she was taking us; she just threw my bag in the car, told me to get in, and started driving off. We got out of town and up into the mountains, and I watched as the huge pine forests drifted steadily by. Eventually, she pulled to a stop at an old cabin that didn't look like it had any sort of power. "Just trust me," she said when she saw the look of horror I had when I pulled myself out of the car.

Once inside, I had to admit, the place was nice. It had a rustic, if old, look, a living area, and a raised bedroom

and bath, so it wasn't entirely disconnected, though she was already going around and lighting candles, which only gave the place more of a mood. After giving myself the tour, I came to the only question I could ask; what were we going to do out here? When I turned to look at her and ask the question, I saw her in the candlelight, stripped down to a black lace bra and panties.

We were so close and had been so comfortable with one another for so long that at first, I didn't really understand what she was

THE ALLURE OF ASA...

It's not often that one runs across an excitingly beautiful woman who isn't afraid to indulge in sex. Asa is one of those women. Pure magic when she is nude, and pure animal when she is fucking. I've had the pleasure to watch almost all of her video exploits and I am totally enthralled.

— Lawrence, Las Vegas

getting at. She beckoned me over and I joined her on the couch still a little confused until she just let herself snuggle up against me. It was the first touch from someone else since the breakup. It felt nice, like a reawakening of some of my humanity.

Except, when I looked back down at her, I saw that she had pulled off her bra, and before I knew it, she leaned up to kiss me. Nicole had always been an attractive girl and woman, lean and tanned, with long dark hair and a smooth body that got

I thrust myself inside and wrapped my arms around her, and her legs around me as I picked up my pace, and I could feel the joy, even the years of frustration we didn't even know we had for each other, coming out with each of her screams. She kept driving me, and I finally let loose a long load, feeling a bond I had never really understood but knew I wanted to keep. As we lay there, exhausted, happy, and intertwined, it was enough that we had the weekend to get to know each other on an even more intimate basis.

ALL I REALLY NEEDED WAS TO GET PAID

The other day, I was cleaning out my neighbor's garage and it took me three hours to do it. But it was worth it, she had promised \$50 – cash! I brushed off my t-shirt and jeans and entered her house through the back door and called out “Mrs. Harper, I finished cleaning your garage.”

There was no answer. I yelled a few more times, then I heard a groan, like an exasperation, and water running. What I heard was coming out of her bathroom. I slowly stepped closer to the source of the noise and took in the moist and humid air.

Steam was billowing out of the open door as I peeked in. Mrs. Harper was in the shower, leaning up against the tile wall, completely naked. She had one of her

large boobs in her hand, squeezing it as her other hand slid down between her legs, rubbing. I could see all this because the shower curtain was pulled open. Hot water was streaming all over Mrs. Harper's tanned body, her long red hair surprisingly dry.

I pulled my head back, embarrassed to catch the woman in the middle of her bath. I didn't know what to do now. I wanted to get paid but I knew Mrs. Harper didn't keep her purse in the bathroom, and the way she seemed to be enjoying her shower, she might be in there for a while. But just as I was getting ready to leave, I thought maybe she was about done, after all. I peeked around the corner again. Then she suddenly screamed as she saw my head in the doorway, “Justin what are you doing there?” I blushed. “I, I, just wanted to get paid for...”

“It's okay. It's not your fault.” She smiled at me, undulating her naked body against the shower wall. I really needed that \$50 for the weekend, so I walked into the bathroom and took her extended hand and helped her step out. She stumbled up against me, all slippery and soft and warm. “Oh, really, Justin,” she breathed in my face, grabbing me around the waist and pushing her big boobs into my chest. “Mrs. Harper, I wanted

saw in her before. I froze for a moment, taking it all in before allowing myself to slowly lean in and return her kiss.

It was slow and passionate; we took every bit of the eternity we had in front of us. We made out slowly, with her helping me remove my clothes as we moved toward the bed, the candlelight only accentuating the heat and smoldering fire between us. She took her time, letting her lips explore my toned, fit body, and by the time she got down to my thick, hard meat, she grinned up at me and told me how much she'd wanted this before sliding my cock down her throat. I screamed out, throwing my

a breath, her arms were wrapped around me, pulling our bodies in close together and lowering her warm crotch down on my throbbing dick. She made out with me as she flipped us over on the bed so that I was on top and already deep inside, her eyes begging for what her mouth still couldn't ask.

I felt my heart pounding with pleasure and joy and slowly started to slide deep in and all the way out, feeling the full length of each stroke. She leaned her head back, gasping with each movement. I realized we were shaking; in a way I hadn't been since my first time.

to collect my money. I finished cleaning out..."

"Looks like you're just getting started," she murmured reaching down in between us and grabbing on to my crotch. She kissed me, all wet and sloppy, squeezing my cock.

green eyes, red lips sliding all along my shaft and balls. I never realized she would be such a good cocksucker. That was pleasant surprise that I was not expecting.

Then she pulled me out of her mouth with a wet pop and slapped my boys

She stuck her tongue in my mouth and swirled it around, her hands working my jeans loose, pushing them and my boxers down. She grabbed my penis and started stroking it.

She dropped to her knees onto the wet tiles and sucked my hard cock right into her wet mouth, her tongue and lips feeling so warm and moist and velvety on my prick. It was even better when she started back-and-forth, sucking on me. She stared up at me with her sparkling

around with her pink tongue. She jumped up onto the bathroom counter and put her legs around my waist and pulled me closer. Staring me in the eye, she steered my cock into her moist pussy as she dug her heels into my buttocks.

I fucked her standing on my tiptoes and she came after one long deep push into her. I pulled out and splooged on the counter. She climbed down and gave me a quick kiss. She wiped it off just as we

heard the front door open.

AFTER GARDEN PARTY

I don't know why, but I like doing chores in nothing other than my lacy undies with the sun shining down on me, but I do. It makes me happier, and wetter, than anything imaginable. I was going about my business as usual, cleaning up after last night's barbecue, when I noticed a man staring at me through the back gate. I jumped, scared at first, then realized he was holding a map and was just hoping to find someone to get directions from. He had no idea I was about to direct him to the ride of his life when I slowly walked over and opened the gate.

I could hear a slight Japanese accent in his voice and my pussy started filling with its delicious pussy juice. He was asking me questions about street names but all I could do was think about how he would feel between my legs, fucking me silly in a lust-filled nooner. I had directions for him all right — directions to my hungry kitty.

I invited him in to the patio and closed the gate behind him. I'm sure no one could see us and we sat and looked at his map. He said he was looking for Braeberry Street. I told him it was a few blocks over that way. He said he was couple hours early because he wanted to give himself

enough time to get there, not having been to this part of Savannah before. With two hours to waste, I offered him a drink, he accepted and I went in and got some iced tea. We sat and drank for a few minutes and I slowly began to unbutton my shirt, telling him it was a bit dirty because I was cleaning the yard earlier.

Within minutes I had dropped my shorts and panties to the ground, my hand flying to find my excited clit. I leaned down on the patio table and offered my ass up in the air. Not missing a beat, he unzipped and dropped his pants and he was balls deep in one thrust. I couldn't believe how well he filled my pussy. I was ready to do anything he asked to please him.

I might be 25, but I'm always horny and worked his cock like a horny teenager. My pussy and mouth were an unbeatable combination as I swallowed his cock like it was nothing, but it was something. I squeezed my pussy lips tight as he was fucking me and had him cumming in no time. I came a minute later.

We gathered up our stuff and saw he still had an hour left before he had to go. Not good, I told him. My husband will be back in a few minutes, He bolted out the same back door gate he came in. I'm not married ;)

I left the romantic comedy on the counter and pulled a hasty disappearing act...

Team Ream

"Looks like you have a late fee," said the video store clerk, a slender blonde-ish Asian girl I had never seen before.

No doubt she was new. And her remark gave me pause. Surely she was wrong. I always returned my videos on time. In fact, I prided myself on maintaining a perfect record.

"I don't think so." I shook my head for emphasis. "There must be some mistake."

My wife Jennifer stood beside me, sighing wearily as her patience thinned.

The clerk peered at her monitor. "I'm afraid not. My computer says—"

"Yeah, well, your computer is wrong," I cut her off, my irritation rising.

Jennifer sighed again, louder this time. I couldn't blame her. All we wanted to do was rent a lousy romantic comedy and spend a quiet night at home.

"Check again," I told the clerk. "I always return my stuff early."

"Actually," the brunette replied, tapping her keyboard with precise strokes, "the video hasn't been returned. You still have it."

"Unbelievable." Jennifer threw her hands up in disgust. She looked at me and said, "To hell with this. I'll be in the car."

My wife exited the store in a huff. A line had formed behind me. I had a good mind to follow Jennifer's lead and get the hell out of there. Screw the romantic comedy. Still, I was determined to prove the clerk wrong. This was a war. And I was going to win, come hell or high water.

"What video?" I finally asked.

The clerk looked at me strangely, a slight smile creasing her youthful features. Did she think this was funny? I had a good mind to tell her off.

"Er . . . um . . ." she hemmed and hawed, her complexion turning a deep crimson. ". . . I'm not sure you want me . . ."

"Come on," I said. "Spit it out."

"Yeah," a strident voice barked from behind me. "We ain't got all damned night . . ."

The clerk took a deep breath. You asked for it, her gesture seemed to say. "Teen Ream Volume Seven," she told me in a matter of fact tone.

Somebody sniggered behind me. Another customer, clearly offended, gasped in shock. As for me—well, I just stood there in silence. There was nothing to say. I had never been so embarrassed in my life.

I left the romantic comedy on the counter and pulled a hasty disappearing act, avoiding eye contact with the other customers as I made a beeline for the door.

So much, I thought, for winning the war.

The upside of being denied a movie was that it left more time for other things. Having returned home after our video store debacle, Jennifer was fuming and ready to work off some major frustration. Of course I was most eager to help her in this regard.

We entered the house and went straight to the bedroom. Jennifer, a blonde with big firm tits and a salon tan, took off her clothes and lay on the bed. I stood beside the armoire, unzipping my jeans as she spread her legs and played with her pussy. She stared at me the whole time, challenging me with her stunning blue eyes.

I got out of my clothes and joined her on the bed. Pushing my wife's hand aside, I buried my face between her thighs. She had nice thighs, Jennifer did, thanks to a passion for cycling, which I had always encouraged.

Pillow behind her head, she moaned and writhed as I licked her slick crevice. Jennifer had taught me a lot about proper pussy eating. I made sure to suck her clit. This drove her wild with excitement. It wasn't long before she was panting and begging me to fuck her.

I got on top of her and mounted, pushing into the snug depths of her snatch. She wrapped her legs around my waist as I com-

menced to thrusting. Driving my hips, I relished the wondrous sensation of her tight cunt gripping my cock. Having started slowly, I gradually upped the pace until I was banging her mercilessly.

"That's it, baby! Oh yeah! Pound that pussy!"

Jennifer's banter prompted me to test the limits of her flexibility. I pushed her legs back until her spectacular thighs pressed against her taut tummy; this placed her pussy on prominent display. I hammered her with renewed vigor, banging my wife's box with everything I had.

Finally Jennifer said, "Come on my tits!"

I gave her a few extra strokes for good measure, then pulled out and held my cock above her bronze mounds. By the time I was through her tits glistened with cum.

Jennifer invited me to join her in the shower but I demurred; opting for a post coital cigarette instead, I sat on the patio in shorts and a T-shirt, thinking about the incident at the video store.

Lucky for me Jennifer was sitting in the car when the clerk had read the title of the missing video . . .

Teen Ream Volume Seven.

I muttered.

Then the phone rang. I checked the caller ID. It was the video store! Maybe the clerk had found the movie. I certainly hoped so. Shelling out fifty bucks for a misplaced video wasn't my idea of fun; if Teen Ream Volume Seven didn't show up I would have to pay for the damned thing, pay or lose my borrowing privileges.

"Hello," I spoke into the phone.

"Mr. Berg?"

"Speaking."

"This is Danielle, from the video store . . . I have some good news . . . we found the video."

"That is good news," I replied.

"It was our fault. The video was here all along. Somebody forgot to scan the barcode when it was returned. I should've checked the shelf while you were here. I'm so sorry.

Danielle was new. I decided to cut her some slack. "No problem. These things happen. Hey, I'm just glad the video turned up."

"You and me both," she said. "I apologize for embarrassing you in front of all those people. We value customer privacy

My wife would not have been happy. We had an agreement that I was to stay out of the curtained Adult section at the video store. She didn't want me viewing pornography of any kind. Jennifer wasn't a prude, far from it. Hell, she had a voracious appetite for sex, even of the dirty and kinky variety. Still, she did have a problem with her husband watching Adult material. "A married man who watches that stuff," she had said on more than one occasion, "is one whose wife isn't taking care of his needs . . ." I didn't agree with this stance; hence my sneaking around and watching fuck flicks behind her back.

I had no idea where the offending video could be. I could've sworn that I had placed it in the store's afterhours drop box. Then again, maybe not; perhaps the tape had fallen behind a sofa cushion. This had happened with a library book once before.

I finished my cigarette and went inside. Jennifer was still in the shower when I checked the sofa. No luck. No video. "Shit,"

and—well, I could've handled things in a far more tactful manner. Looking back, I should've scribbled the title on a piece of scratch paper . . ."

"It's okay, Danielle."

"I hope you'll continue to patronize the store," she said, "and maybe even let me make it up to you . . ."

The second part of her comment gave me pause. Something in her tone piqued my interest. I took the cordless out on the patio and fired up another cigarette.

"I'm listening," I told her.

I drove to the video store with much anticipation, hardly able to believe my good fortune. Danielle hadn't come right out and said that she wanted to fuck me, but I didn't have to be a rocket scientist to know that I was in for one seriously good time.

After our phone conversation I had gone back inside to find Jennifer, freshly showered and dressed, brushing her hair at the

vanity. "I'm going to pick up a few things at the supermarket," I had told her. "Sure," my wife had said without the slightest hint of suspicion in her voice. "And don't forget the coffee. We're almost out."

Now I whipped into the mostly empty video store parking lot. Danielle was locking the door when I pulled up in front of the store. She had changed out of her work attire, trading her black slacks and blue knit top for a short linen dress and high top sneakers.

Hands on the wheel, I watched her open the back of an old hatchback, dump her clothes and backpack inside, then head my way. A student, I surmised, around eighteen or nineteen; she probably attended day classes before working nights at the

barrassing me at the video store.

She leaned over and devoured me with her mouth. I groaned as her lips skimmed up and down my pole. Having banged my wife a little less than an hour ago had no detrimental effect on my performance; my cock was harder than ever.

Still, Danielle was determined to make it even harder. She commenced to gobbling me in earnest, pumping her head faster and faster in my lap. I would have been perfectly content with a blowjob.

But she wanted more, Danielle did. And I was most eager to fulfill her needs. My cock also was even more eager to fulfill her needs.

She reclined the passenger seat and lay there, raising the

video store. You had to admire Danielle's work ethic. She was no spoiled brat.

"Whew." Danielle dropped into the passenger seat. "It's been a long day."

"Tired?" I asked her.

"I'll perk up," she said, flashing a naughty smile.

I asked her if she wanted to grab a drink somewhere. She declined; then directed me to a nearby park I was only vaguely familiar with. The place was deserted at night, the perfect spot for a clandestine hookup.

I killed the engine.

... and maybe even let me make it up to you ...

Danielle's tantalizing words had lured me out of my home, but not before I had lied to my wife. Was this college cutie worth it? Was she for real? Or just a cock tease? Any lingering doubts I had regarding her intentions evaporated when she reached over the console and unzipped my shorts.

"Lovely," Danielle said. "You're already nice and hard for me."

I settled back in my seat as she stroked me with one hand. She did it nice and slow, shucking my stiff shaft with a deft touch. She gave one hell of a hand job, one of the best I had ever had. Yeah, I thought, Danielle was definitely making amends for em-

hem of her short linen dress. I wasn't surprised to see that she had worn no panties. She raised her skinny legs, inviting me to skewer her hairless cunt. I kicked off my loafers, removed my shorts, and scooted over the gearshift, moving on top of her as she peeled my briefs.

Danielle's little brown star yielded to my cock, clenching me in its tight embrace. I thrust for all I was worth. She urged me onward, demanding that I fuck her harder and faster. I did my best. It seemed to be enough.

She suddenly came loudly, wailing and moaning as she writhed beneath me. I had just enough time to pull out before my prick erupted. I dumped a very respectable load of cum on her flat stomach, my second orgasm of the night—one for the wife, the other for a video store clerk who knew a thing or two about good customer service.

I suppose it goes without saying that this crazy night happened during the home video boom of the late 80s. Now I'm just an old fart who needs a little blue pill to get it up. Jennifer and I divorced five years ago. Danielle exited my life way before this, leaving the town shortly after the video store closed its doors for good.

I've always had small boobs but really sensitive nipples. I've become more sexual now that I've accepted my body and am ready to fuck the men I want in the way I want. Like when I feel like having anal sex, the guy should too, because it's not every woman that does.
